TAC (per Paul Moore)

TAC members are now celebrating their successes with the close of the ice racing season. The cars have now been placed in hibernation until they are pulled out of storage next January, at the last minute, and the owner suddenly remembers last season's incomplete "to do" list! Congratulations to the 23 TAC members who finished in the top ten in their classes! Ice racing runs for six consecutive weekends (weather permitting) starting the third weekend in January in Minden, Ontario .

Did anyone see the 32-page March 2009 issue of TAC's Fifth Gear? On page 12 are three interesting views of ice racing. Who would have thought you could use the hoist on a garbage bin truck to straighten the frame of a car enough between races to go out and win the next race? Also, what happens when small cars meet BIG snow banks? Fifth Gear will be available on the TAC website soon.

TAC member are eagerly awaiting the return of the warm weather and the various forms of pavement racing that goes along with it. Would you believe people actually race cars on....pavement?! Weird, eh?

Preparations are also under way for the two remaining TAC rally events, the Discover Ontario Rally in June and the Infinite Monkeys Rally in August. Brooke Jacobs returns as the organizer of the "DOCR" this year after a two-year "vacation" to develop some insidious instructions for the intermediates and experts. It should be **fun!**

MCO (per Jeannie MacGillivray)

We now have four more HAMs in the Rally Group, and we thank the RSO for providing this course every year!

Most of our efforts have been on the upcoming Lanark Highlands Forest Rally (LHFR), and to complement the event we are holding a Saturday-morning course for new co-drivers on March 28. We have 17 students signed up so far. The course will be given by Mike Koch and Jane Laan, at the Tifosi Lounge at St. Anthony's Soccer Club in Ottawa .

The LHFR committee has been busy on just about all aspects of the event. To date, we have 10 entries and are preparing our Supplementary Regulations. (The organizer and I regret that this has happened in reverse order!)

We had 10 attendees at our February Rally Group meeting.

The road rallies, known as the Open Road Rally series, will kick off with a school for navigators in May, given by Robert Roaldi. Date to be announced. The organizer is Glen Clarke.

Greg van Dalen will again be organizing rallycrosses at Augusta , with three being planned for 2009. Some Rally Group members competed in the MCO's Snowcross series (not organized by the Rally Group). The series standings will be posted soon.

KWRC (per Christina Chinn)

PMSC (per Rob MacKenzie)

The Peterborough Motor Sport Club has 41 members to date.

PMSC had 18 Club members run in the CASC-OR ice race season.

March social meeting will have jacks mini rally on March 25th.

The Shannonville Stages Rally plans are coming along well and expect a large turn out.

The GCFR has its Sponsorship in place and is well on its way to another successful event.

Louis is back this year to organize one of his classic ORRC Spring Run Off's. This event will run April 18th.

SPDA (per Nuwan Dantanmarayana)
