

2018

COMPETITOR BULLETIN #3 – April 29, 2018

Vehicle Tracking System

Held under the Rally General Competition Rules of CARS

Please be aware that the EZtrak vehicle tracking system – as mentioned in the supplemental regulations - will no longer be available for this event. Competitors will not be required to install a unit before the event starts. Any questions with regards to this bulletin can be directed towards the organizer Warren Haywood, or safety officer Kelly Mathew.
