Forest Rally

COMPETITOR BULLETIN #2 – April 22, 2019

Alternate Recce Request

Held under the Rally General Competition Rules of CARS

The organizer has had a request for an alternate recce day for one out of country competitor. The competitor is unable to arrive before the official recce day has been completed and is requesting an opportunity to do recce prior to the recce day.

As a result of this request the following concession has been approved.

The two pass recce will be arranged for this competitor on April 30th 2019 and be run in an exact mirror of the official recce day. The competitor will perform their recce under the supervision of the organizer and will be in accordance with all recce guidelines set out in the supplemental regulations.
