

## **Interim RSO Regional Rally Director Position**

Hello Members,

Effective January 29, 2020, Darryl Malone, our elected CARS Regional Director has chosen to step down from his current role to be able to direct his energies more into rallying in general and specifically the ORSC (Ontario Rally Sprint Championship). We want to thank Darryl for representing Ontario so well while in this role and look forward to the future of the ORSC while he can further direct his energy to the wildly successful series.

As you are aware, there remains the balance of Darryl's term to be filled. During the CARS BOD meeting on Tuesday January 28th, the CARS BOD appointed Warren Haywood temporarily to this position.

As this position is not elected by the RSO Clubs until the CARS 2020 AGM in January 2021, with nomination procedures being in October 2020, there will be an Interim position elected by the Clubs at the RSO AGM on March 21<sup>st</sup> 2020.

Nominations for the Interim position will be accepted until midnight February 29<sup>th</sup> 2020, and the list of those nominated will be announced and sent to RSO Club reps. Club members must then notify their Club Rep of their choice of candidate, and the overall Club vote will be presented at the RSO AGM, for final voting between Clubs.

Nominations can be sent to [secretary@rallysport.on.ca](mailto:secretary@rallysport.on.ca)

Thanks  
Kelly Mathew  
RSO Secretary
