

RSO Announcement July 29, 2020 – Regarding the OPRC 2020 Prize Fund

RallySport Ontario is deferring the \$10,000 OPRC prize fund to the 2021 season.

This fund is geared towards new & up-and-coming competitors while boosting the stand-alone OPRC events and the series as a whole. The cancellation of the Lanark Highlands and Black Bear rallies will limit the number of rounds in this year's championship so we'll hold off on distributing these prizes until we can run a full slate of events.

Thanks to our prize fund sponsors for their support: Ontario Motor Sales, Clarington Hyundai and Enercare/Martin Air Heating.

RSO, our clubs and our event organizers are working hard on the remaining 2020 rallies. We're still aiming to host the OPRC at Rallye Défi and Tall Pines, barring any significant changes in the COVID-19 situation. Stay tuned for updates.
